Learn how God's purpose and passion for the nations can help us build bridges connecting Christians with Muslims...

Have you lately befriended an international student or a young professional from an Islamic background or religion?

Have you been introduced to a Muslim student who allows you to step into their world and spend hours with them so that you can know their world and their culture?

Will you be ready when God calls you to befriend a Muslim, ...offering friendship for friendship... allowing him to see Jesus living in you?

With more than 1,300,000,000 Muslims in the world and more than 7,000,000 Muslims in the United States, God is bringing Muslims to us giving us the opportunity to share with them His salvation. Are you equipped to connect with a Muslim?

### Sessions include:

- Practical, biblical teaching about Islam and Muslims by Fouad Masri & interviews with Muslims to expand on teaching concepts
- Real life stories of former Muslims now following Jesus
- Action steps for applying the material in relationships with Muslims
- UTD students lead as hosts and coordinators for each evening
- Experts on call
- Additional resources will be made available

Use **just two hours each Friday** for a six weeks session this summer and be equipped to reach Muslims. To register call or email John Anderson at 972-233-1659 or [john.anderson36@att.net](mailto:john.anderson36@att.net).

*May... that great Shepherd of the sheep, equip you with everything good for doing his will, and may he work in us what is pleasing to him, through Jesus Christ, to whom be glory for ever and ever. Amen. (Hebrews 13:11)*
